

GUARDEX LUBES INC. PRESENTS

# DIESEL FUEL BOOSTER FORMULA C50

## General Information

- ❖ Guardex C50 Diesel Booster contains a CETANE IMPROVER, for more horsepower and increased fuel efficiency.
- ❖ Guardex C50 Diesel Booster helps prevent internal corrosion in the tank & fuel system by STABILIZING fuel so that it will not form varnish, gum and sludge.
- ❖ Guardex C50 Diesel Booster is recommended in ALL diesel engines and with all grades of fuel.
- ❖ Guardex C50 Diesel Booster is safe for use in vehicles equipped with turbo or supercharged engines. It is also chromium and aluminum compatible.

## Advantages:

- ❖ Reduces fuel consumption by 5-7%. Thus it more that pays for itself.
- ❖ Improves CETANE rating (Cetane is the power component).
- ❖ Increases PERFORMANCE & HORSEPOWER.
- ❖ Prevents varnish, gum, sludge and corrosion by stabilizing fuel.
- ❖ Reduces BLACK SMOKE (Unburnt fuel).
- ❖ Cleans and lubricates injector pump, nozzles and pintles.
- ❖ Assists in cold weather starting.
- ❖ Protects against low sulfur content in fuel.
- ❖ Contains a friction reducer to reduce upper cylinder wear.

## Recommended Dosage:

- ❖ 30 ml. treats 50 liters of Diesel fuel.
- ❖ 946 ml. bottle will treat 1700 liters of Diesel fuel.
- ❖ Mixes instantly.
- ❖ Guardex C50 Diesel Booster is recommended for use in all Diesel engines, with all grades of Diesel fuel.
- ❖ Also available in 4 litres, 20 liters and 205 liter barrels.
