

Protective Finish **LIGHTNING SHINE**

>>> **GUARDEX's LIGHTNING SHINE** offers the ultimate in enhanced gloss and shine properties. Developed to outperform other standard silicone fluids, our silicone polymer emulsion can gloss up any rubber, vinyl or leather surfaces and stays on, even after washing.

LIGHTNING SHINE will help keep your tires looking shiny and new. Easily applied straight from the spray bottle, it will restore the deep, intense black 'new tire' look. Protect your tires and vinyl interiors from the harmful UV rays that can crack and fade your car/truck. **LIGHTNING SHINE** is durable and long lasting, even in the harshest winter conditions.

Can be used full strength or diluted in water.

AUTO

HOME

BOAT

DIRECTIONS FOR USE:

Can be used full strength on tires and rubber materials.

For ultimate shine, spray **LIGHTNING SHINE** directly onto rubber and wipe dry with a microfiber cloth. For cleaning vinyl, dilute solution by 50% with water.

AVAILABLE IN:

- > 473 ml spray bottles
- > 20 litre pails
- > 205 litre barrel
